Invitation

to the following event

CONSTANȚA SMART ENERGY EXPO – international fair, second edition
MAY 25 – 28, 2023, CONSTANȚA, EXHIBITION CENTER

CONSTANTA SMART ENERGY EXPO 2023 is an unique event, organized through a partnership between the business environment represented by the **Constanța Chamber of Commerce, Industry, Shipping and Agriculture**, the public sector represented by the **Sustainable Development Association of Constanța County** and the non-governmental environment represented by the **Association for Regional Development and European Policies**.

CONSTANȚA SMART ENERGY EXPO, at its first edition in August 2022, was a real success, brining opportunities for communication and **direct contact, new business partnerships**, conferences, public debates and workshops. The first edition of the event brought together important players from the field, with products and solutions in the area of renewable energy, components for photovoltaic systems, photovoltaic panels, inverters, charging stations for electric cars, solutions for electricity supply independent of the conventional network, ecological building materials, electrical vehicles, equipment for smart homes and appliances and the list goes on.

Based on your availability for **involvement and support**, we kindly ask you to promote the event, by sending recommendations to the interested companies that have foreign capital, which are involved or have the potential to be involved in the energy business and related fields and which may have an interest in participating as exhibitors. We would greatly appreciate if you would support us in sharing this information, along with the invitation, to your business environment, as well as to stakeholders and communities.

To obtain further information or for inquiries regarding participation terms and conditions, please check our website: <https://www.ccina.ro/evenimente/targuri-expozitii/-/e-smart-energy-expo-editia-a-ii-a-638>.

Thank you for your attention and availability. Assuring you of our deep consideration, we are looking forward to having you as a partner in the organization of this event.

Kind regards,

Ruxandra SERESCU,

General Director of the Constanța Chamber of Commerce, Industry, Navigation and Agriculture
